Center for Educational Options
In collaboration with
The Robert Bowne Foundation
2014-15
Julia Palmer Library Development and Literacy Support Project
Participants' Dialogue Sheet

What stood out from today's session? What did you learn that was meaningful to you in terms of library development and literacy support?

What questions linger? What issues and topics would you like to discuss further?

What revisions did you make to your Action Research question or focus today? What next steps are you working on?
